Prestige Medical Imaging Upgrades 2 Trauma Rooms at OhioHealth Riverside Hospital

COLUMBUS, OH – December, 2018 – Prestige Medical Imaging (PMI) the largest independent provider of digital imaging technology and services for medical facilities, is pleased to announce that they have upgraded two trauma rooms at OhioHealth Riverside Hospital in Columbus, OH.

The upgrades included Fujifilm FDR D-EVO II DR detectors. These detectors feature an easy to use, ultra-lightweight and rugged design for improved image quality through a noise reduction circuit, and a variety of functions to support imaging.

Mr. Bill Haussmann, Chief Executive Officer for Prestige Medical Imaging comments, "OhioHealth Riverside Hospital in Columbus is a regional destination that offers top innovation and compassionate care. OhioHealth making these upgrades show their commitment to respond to the daily needs of their patients, while providing the tools to offer improved image quality and patient through-put, close to home."

Serving patients since 1892, OhioHealth Riverside Methodist Hospital in Columbus, Ohio, is a 1,059-bed, teaching hospital and OhioHealth's largest hospital. Riverside Methodist shares the OhioHealth mission "to improve the health of those we serve." It is recognized locally, regionally and nationally for quality healthcare and is consistently ranked one of the nation's best hospitals. For more information visit: www.ohiohealth.com

Last month two of PMI's partners; OhioHealth and the Columbus Blue Jackets teamed up for the annual Hockey Fights Cancer night, an NHL initiative to bring funding and awareness to adult and pediatric cancers.
